Student Agreement

Code of Conduct

While on site at the Gaisser Family of Learners, Inc. center and while being transported...

- ✓ I will help maintain a **positive** environment at the learning center by treating all adults and students with respect and kindness and by not causing or participating in any type of bullying (i.e., verbal, physical, social, and/or cyber) that harms or is unkind toward others. I will also have a positive attitude, demonstrate good sportsmanship, and try my best at each activity we do.
- ✓ I will help maintain a **safe** environment by not engaging in any physical fights and by not bringing and/or using any type of weapon that harms others.
- ✓ I will help maintain a **healthy** environment by not bringing, storing, selling, purchasing, or using any type of drug, including alcohol, tobacco products, marijuana, imitation drugs, prescription or over-the-counter medicine. **If I need to take medicine while at the center, my parent or guardian will bring my medicine to the center and register it with Mrs. Gaisser.**
- ✓ I will help maintain a **beautiful** environment by cleaning up after myself and by not drawing on, creating graffiti, or causing any other type of damage to the property inside or outdoors, including all parts of the building, equipment, and other items on property. **If I do cause damage, I understand that I will be required to clean it up or pay for repair or replacement.**

Dress Code

While on site at the Gaisser Family of Learners, Inc. center and while being transported...

- ✓ I will wear and/or bring clothes that are appropriate and safe for tennis, dance, art, or any other activity in which I am participating. **If I am unsure about appropriate clothing for a specific activity, I will be responsible to check first with Miss Gaisser or Mrs. Gaisser.**
- ✓ I also understand that I will be required to wear a **face mask** while inside at the center, except during snack time. No face mask, however, is currently required for outdoor activities.

Attendance

On any day that I am unable to come, I understand that it is my responsibility to...

- ✓ Have a **parent/guardian call as soon as possible** if I will be absent due to illness.
- ✓ Have a **parent/guardian call at least 48 hours in advance** if I will be absent, come late, or leave early for any reason other than an illness/emergency.

I have had an opportunity to ask Miss Gaisser questions, and I fully understand this agreement. I agree to follow all of the expectations listed above. I also understand that if I violate any of these expectations, depending on the seriousness of my actions, it may result in suspension or expulsion from the Gaisser Family of Learners, Inc. program, and my family will not be refunded. I will do my best to follow the dress code and attendance procedures and to keep the environment positive, safe, healthy, and beautiful.
